

## LANDHAUSKARTE

## WELCOME

What does eating and drinking mean?

Eating and drinking connect us with family,  
friends, colleagues, or even new people.  
Eating and drinking tickle our senses; they are emotional!

New flavors we discover or familiar ones  
that take us on a journey through memories.

– Tradition preserves innovation –  
We wish you much joy in our house!  
The “Hannibal” Team

*We value quality!  
That's why almost all our products  
are homemade. It might take a little longer  
sometimes.*
